REVIEW OF SECTION 23 1

REVIEW PROKARYOTES ANSWER KET

- Tolkien originally wrote the Hobbit for his children and it is lucky that we get to share in on this red blooded action adventure story. The Hobbit, being the prelude to the Lord of the Rings, is mostly the story of how Bilbo Baggins acquires the Ring of Power from the mistake of the murderous Gollum. But

there is another "main" story. This book recounts the adventure of Bilbo, in the service of Gandalf and 13 dwarves, in which he must kill Smaug the dragon and steal back his hoard. Read this wonderful story, which is Tolkien's best work.

- I loved it. I especially loved it when Bard shot Smaug in the chest and after that nobody ever went near the dragon.
