#### **REVIEW OF COMMUNIST ARMIES IN POLITICS THEIR ORIGINS AND DEVELOPMENT A WESTVIEW SPECIAL STUDY**

- Of all the books I've read, Of Mice and Men isn't in my top three, but it's close to being one. In a very well written way, Of Mice and Men shows how valuable friendship is. I was skeptical of it when I was first going to read it in 9th grade. As I read though, I found that it was actually a very good book and quite entertaining. It was written like a movie, detailed, yet very short for a novel. At only 107 pages long, Of Mice and Men shows that a classic book does not have to fall in the 500 page category. I give Of Mice and Men four out of five stars.

- 'Merica done right--in a righteous book. And now, because I need a few more words to finish the review, blah.
