REVIEW OF MY HERO ACADEMIA VOL 8

- This is a story of total humanity. The characters are real and captivating. I LOVE THIS BOOK!!!!!!!!!! If anyone asks me for books to read, I would definately reccomend this book. Clan of the Cave Bear also taught me to be who I am. Dare to be different. This was a great book!

- I read this book a few years back but couldn't resist reviewing it now that I have an Amazon account. Jean Auel is one of my favorite authors. I have all her books in hardback. The reason I am so attached to these books is that the details she interweaves into the story line really brings it to life. The descriptions of the plants and their uses, the feel of living in a cave, these are the things make Clan of the Cave Bear great. I know the author does at least a year of research before each book and it really shows. The plight of Ayla, her constant feeling of being different and insufficient, her struggle to please those she loves, this is something everyone can relate to on some level. I look forward to diving into the Painted Caves very soon!
