Kerala, perched on the Southern tip of Indian sub continent is an ever green tourist delight. Chosen by God as His own country, Kerala has everything that a tourist looks forward to. Virgin beaches, romantic backwaters, invigorating hill stations, enthralling waterfalls and great historical monuments craft Kerala one of the ten paradises in the world. With moderate climate and civilized people the state is immensely blessed by Mother Nature. If marriages are made in Heaven, what better place to have the ceremony than in God's Own Country? Yes, Kerala is becoming one of the important Wedding Destinations in the world. As a wedding destination Kerala offers you many options as a beach wedding, a house boat

wedding or a wedding by the hills. Along with, this historical land is fast becoming a popular MICE destination. Thanks to the numerous facilities available for Meetings, Incentives, Conventions and Exhibitions. With the most sought after professionals and excellent network of hospitals India is becoming the very hot medical tourism destination in the world. It is the land of everlasting festivals and vibrant art forms. The multicultural land with peoples from diverse religions, communities and sects is an abode of prosperous legacy. The year-round festivals proffer golden opportunities to explore the tradition and cultural heritage of

this great historical soil. The uniqueness of Ayurveda brings the person to a new sphere of rejuvenation. The system is the consequence of vigorous contemplation and researches of great scholars. And, we are equipped for you with a prelude of God's own country. We offer indispensable insights about wedding tourism, MICE tourism, medical tourism, pilgrimage tourism, monsoon tourism, plantation tourism, festivals, art forms, Ayurveda and accommodation facilities along with the fascinating destinations under the fourteen districts.

*Target XAT 2019 (Past Papers 2005 - 2018 + 5 Mock Tests) 10th Edition* Routledge

It's the 1960s and

Miraucia is not ready for independence, but the Americans want one of its dependencies for its latest military base in the Indian Ocean. The British ensure this colony of theirs is granted independence without delay and even forcibly remove all the dependency's inhabitants to Miraucia. Lovena Pillay and Robert Laurent are students - and lovers - in London at the time and they vow to fight for the return of the uprooted islanders to their atoll. Once back home, the pair find Miraucia a near-bankrupt country where even graduates can't find work. Protagonist Pillay creates her own employment by forming a political party and she and

Laurent become arch political rivals. Unlike conventional story telling, part of East of Africa, South of India is told in the 'fourth person' - through the pages of the written media. This tongue-in-cheek account shows what can happen when too much power is achieved by novice politicians in the name of democracy and the upshot is a satire on Third World politics. Now Lady Lovena Patten and Baron Sir Robert Laurent, the former lovers are finally reconciled - but they're no ordinary lovers. Before long they discover that when it comes to fighting for the survival of their parties, love and politics don't mix.

What does it mean for education to be a fundamental right, and how may children benefit from it? Surprisingly, even when the right to education was added to the Indian Constitution as Article 21A, this question barely received any attention. The book identifies justiciability—or, more broadly, enforceability—as the most important feature of Article 21A, meaning that children and their parents must be provided with means to effectively claim their right from the State; otherwise, it would remain a ‘right’ only on paper. The book

highlights how lack of access to the Indian judiciary means that the constitutional promise of justiciability remains unfulfilled. It deals with the possible alternative means the State may provide for the poor to claim the benefits under Article 21A, and identifies the grievance-redress mechanism created by the ‘Right of Children to Free and Compulsory Education Act, 2009’ as a potential system of enforcement. Even though this system is found to be deficient, the book concludes with an optimistic outlook, hoping that rights advocates may, in the future, focus on improving such mechanisms for legal empowerment.

Yet publication testimonials aren't

simply helpful for visitors. They additionally play a vital role in the posting sector, aiding writers and publishers advertise their work and reach a broader target market. Democratic Accommodations: The Minority Question in India analyses the complex story of the accommodation of claims, interests and rights of minorities in India. It aims at what India-being one of the most ethnically and culturally diverse nations of the world-can offer to other nations, particularly to the countries of Europe that are confronted

with ethnocultural and ethno-religious assertion. The authors have endorsed the argument that all plural democracies-and all democracies can only be plural in the present historical conjuncture despite the attempts by regimes to make them majoritarian-must work out their own strategies of accommodation by evolving a policy matrix that is suited to the dynamics of their own societies. The book is organised along four rubrics-laws, institutions, policies and political discourse-to understand Indian democracy's distinct response to diversity. The rich and nuanced exploration of the Indian approach to the minority question presented in this book

will advance the international debate on diversity and multiculturalism and help policymakers in pluralistic democracies to develop their own particular strategies to deal with minority claims.

**An incomplete aspiration** Taylor & Francis

This book gathers selected papers presented at International Conference on Machine Learning, Advances in Computing, Renewable Energy and Communication (MARC 2020), held in Krishna Engineering College, Ghaziabad, India, during December 17-18, 2020. This book discusses key concepts, challenges, and potential solutions in connection with established and

emerging topics in advanced computing, renewable energy, and network communications.

Issue No. 155-156  
Routledge

Many disenchanted Kashmiris continue to demand independence or freedom from India. Written by a leading authority on Kashmir's troubled past, this book revisits the topic of independence for the region (also known as Jammu and Kashmir, or J&K), and explores exactly why this aspiration has never been fulfilled. In a rare India-Pakistan agreement, they concur that neither J&K, nor any part of it, can be independent. Charting a complex history and intense geo-political rivalry from Maharaja Hari Singh's leadership in

the mid-1920s to the present, this book offers an essential insight into the disputes that have shaped the region. As tensions continue to rise following government-imposed COVID-19 lockdowns, Snedden asks a vital question: what might independence look like and just how realistic is this aspiration?

*Company law, SEBI Guidelines, Corporate Governance* Troubador Publishing Ltd

This book constitutes revised selected papers of the First International Conference on Computing Science, Communication and Security, COMS2 2020, held in March 2020. Due to the COVID-19 pandemic the conference was held virtually. The 26 full

papers and 1 short paper were thoroughly reviewed and selected from 79 submissions. Papers are organised according to the topical sections on artificial intelligence and machine learning; network, communication and security; computing science.

*Good Economics for Hard Times* Springer Nature

The fifth edition of the best-selling text, *Ethical Leadership and Decision Making in Education*, continues to address the increasing interest in ethics and assists educational leaders with complex dilemmas in today's challenging, divided, and diverse societies. Through discussion and analysis, Shapiro and Stefkovich demonstrate the application of four ethical paradigms - the ethics of justice, critique, care, and the profession. After illustrating how the *Multiple Ethical Paradigms* may be applied to authentic dilemmas, the authors present cases written by graduate students, practitioners, and

academics representing dilemmas faced by educational leaders in urban, suburban, and rural public and private schools and universities, in the U.S. and abroad. Following each case are questions that call for thoughtful, complex thinking and help readers apply the Multiple Ethical Paradigms to practical situations. New in the Fifth Edition are more than ten new cases that cover issues of food insufficiency, the pandemic's effects on diverse school populations, a student's sexual orientation, transgender students in the university, lock-down drills for young children, refugees in a Swedish school, boundaries in high

school sports, generational differences in an adult diploma school, acceptance of animals on campus, and hate speech in the academy. This edition also includes teaching notes for the instructor stressing the importance of self-reflection, use of new technologies, and global appeal of ethical paradigms and dilemmas. This book is a critical resource for aspiring and practicing administrators, teacher leaders, and educational policy makers.

Encyclopædia OECD  
Publishing

For years, intellectuals have argued that, with the triumph of capitalist, liberal democracy, the Western World has reached "the end of history." Recently, however, there has been a rise of authoritarian politics in many countries. Concepts of post-democracy, anti-politics, and the like

are gaining currency in theoretical and political debate. Now that capitalist democracies are facing seismic and systemic challenges, it becomes increasingly important to investigate not only the inherent antagonism between liberalism and the democratic process, but also socialism. Is socialism an enemy of democracy? Could socialism develop, expand, even enhance democracy? While this volume seeks a reappraisal of existing liberal democracy today, its main goal is to help lay the foundation for new visions and practices in developing a real socialist democracy. Amid the contradictions of neoliberal capitalism today, the

responsibility to sort out the relationship between socialism and democracy has never been greater. No revival of socialist politics in the twenty-first century can occur without founding new democratic institutions and practices.

## REVIEW OF

## PUBLIC HOLIDAYS IN INDIA 2018 LIST OF GAZETTED NATIONAL

- I own several Dummies books. As usual the Dummies series has managed to turn out a book for... Dummies. Even though I have no drumset I still managed to learn the basics. However the author is quite "talkative" but I think that kept me from falling asleep on the book. Good buy!
- I liked this book because it is all the Christmas spirit you need! Your kids would love this book from that Christmas spirit!
