REVIEW OF TERM PAPER INSTANT MESSAGING

- This is a great overview of the five main areas of law and a number of real-

life legal relationships with which we all should be familiar. It also has good case studies and assignments. A teacher's manual is available. Most of my students keep the book rather than resell it; that is high praise for this above-average-

price textbook.

- Delivery was great I paid extra for the 3 day shipping and I received in in the time frame. Book was in very good shape. Overall experience...positive!
