### **REVIEW OF OUR ICEBERG IS MELTING**

- Nice book. Great for kids. I bought a bunch of the classics for my two daughters. Great price and would probably buy again
- This book, was mostly about Napoleon. The title of the book, is of course about all of his family. This does not let you down. You can read about all of his brothers and sisters, and of course his courageous mother and father. Not much usually is documented so long ago and we struggle to find answers to questions about history. This is a good book to read if you wish to know about Napoleon in a deeper aspect.
