So, what are you awaiting? Beginning your analysis experience today with electronic Penguin Quick Guides Really Useful English Idioms Penguin book downloads. With many titles and genres to pick from, the possibilities are limitless. Pleased reading!

REVIEW OF PENGUIN QUICK GUIDES REALLY USEFUL ENGLISH IDIOMS PENGUIN

- I was just three years old when my mother took me to a book signing on

Robertson Blvd. in Los Angeles. A man was seated at a small table and well-dressed women milled around him. The book was "Manners Can Be Fun," with its bright yellow cover, and soon was joined by the Watchbird series. What sticks in my mind was the dreaded statement, "This is a watchbird watching you. Were you a good child this month?" Ugh. I can't imagine a young child today being inspired by such baloney.

- I didn't find this book particularly funny. It has its moments, sure, but the overall impression I got was "outdated": old jokes, every old Alaska cliché from sourdough to cheechako, *YAWN*, humor that may have been fresh once but is no longer. It's from 1997 and was not my first introduction to Alaskan writing. Maybe that's why. ;-)

On a different note, I love Doogan's Nik Kane mysteries!
