Joining our area is easy and comes with a host of benefits. Our participants gain access to a substantial library of PDF files all set for download and can contribute to the area by publishing their own apply for others to utilize.

So why wait? Start downloading Radu Cinamar PDF today and experience the simplicity and ease of accessing a wide range of beneficial records at your fingertips.

REVIEW OF RADU CINAMAR

- While I recommend reading *Revenge of the Sith* prior to seeing the movie, I must issue a couple of caveats, I suppose. One, don't expect incredibly intelligent writing. Two, it will invariably (gasp!) spoil the movie. The book does, however, provide us with a more revealing look inside the complex thoughts of Anakin, Darth Sidious, Padme, Obi-Wan, and Yoda...stuff you won't get from the movie."Infinite knowledge...Infinite time, does that require."- Yoda
- I'm only going to mention a couple of things. Both the novel and the film have been out long enough that I don't see any real reason to go back over

a synopsis of the story. Once freed of a film's running time Stover could really take his time fleshing out issues that the movie was forced to speed through. For example, he made it clear as day why tension had mounted between the Jedi and Palpatine, and the current political climate on Courasant. The relationship between Anakin and Palpatine is explored much more than in the movie. In the scene when Palpatine revealed himself to Anakin, Palpatine's emphasis on his right to live and his prediction that the Jedi would kill him on the spot for his religious beliefs, I found, much more effective than in the film. From what I recall,

the film focused more on trying to save Amadala from her predicted demise. I thought that the effect Anakin's visions were having on him were much better explained than in the movie. The novel, basically, had Anakin terrified to rest and exhausted from sleep deprivation. This worked in that when the climatic battle between Windu and Palpatine came to a head, Anakin (who, at that point, was nothing short of delirious from exhaustion) obviously wasn't thinking clearly. I loved the way that the relationship between Anakin and Obi-Wan developed. It was very well illustrated that Anakin was always using Obi-Wan as his emotional anchor and when removed of that, just how easily he could be manipulated by someone Anakin saw as never having lied to him. The only thing that I wound up ding the novel for was the Wookies role and Yoda's escape. It's virtually missing, as if someone just accidentally edited it out. It was really bizarre that it was just ... not there. Outstanding book though, as much as I liked the film, the book is significantly better.
