## **REVIEW OF SATURATED SALT SOLUTION PREPARATION**

- This is a very interesting book that I gave to my wife and she could not let go. It was a basis for a lot of Google Maps exploration and discovery.
- Being Huxley's last novel I was skeptical when I picked it up. Certainly I had no reason to be. Huxley was in top form writing *Island*. If you are looking for a blueprint for a harmonious life

look no further. Huxley lays out a true Utopia and once again proves it could never be. Fortunately for us, he brings to light concepts for child raising and general peaceful living. One can certainly learn from this modern masterpiece. The plot is just as enjoyable as the underlying message. A secluded island, a shipwrecked spy, a changed man, and the inevitable corruption of Utopia. Huxley has spared nothing with this one. *Island* is a definite must read.
