So what are you waiting on? Beginning your Dbq 12 Industrial Revolution Beginnings Answer Key downloading and install trip today and experience all the benefits and ease that the digital world of books has to use!

### REVIEW OF DBQ 12 INDUSTRIAL REVOLUTION BEGINNINGS ANSWER KEY

- Before I started reading, *The Last Juror* sounded exciting. However, once I picked it up it was disappointing. The beginning of the book was good, but after the first 50 pages it was just frustrating. Grisham spends 60 pages telling us how Willie visits every church in his county, and how everyone is mad that Bargain City is coming to town. Almost half of the book was wasted on useless information, so I would recommend this book to anyone who is looking for a slow, uneventful read.

- I am an unabashed Grisham fan and think I have read about everything he's written. I simply loved some of his books and I merely liked others. There's always something special about his legal themed stories but some of the ones that I loved most were not legal at all: "The Painted House", "Skipping Christmas" for example (which two were also favorites of my husband). But "The Last Juror" was a standout special book for me. The legal/lawyer theme is just an embedded part of the story while the principal theme is the unfolding development of Willie's character and the friendships he makes in the town, especially the lovely relationship between Willie and Miss Callie. But all the characters are so finely drawn that you really get to know them and care about them or are at least interested in their fates. Willie, warts and all, is one of my all time favorite Grisham characters as is the unique Miss Callie. I won't go into the story line. Others have done that quite well. I'll just say that this is a book for all ages who like a good story. My very elderly parents lived the last 3 years of their lives with me and I would read to them for about an hour every afternoon. It was a time of companionship and enjoyment for us all. During that time we covered many books and one of them was "The Last Juror." They were enthralled from the first to the last word. My Mother paid the book the ultimate compliment for any story when she said, "Oh, I hate for it to end. I want to hear more about Willie."
