- [• God Went to Beauty School is a very short and easy read. Although it is short it teaches us lessons about God and how he is almost exactly like us except the part of him being all powerful. God loves and he dislikes. He can shop and he can watch television. He loves dogs and all living animals. I really liked this book because i didnt think any one thought of God like that. I didnt really think God could be like that. I thought God would be a powerful man beyond human understanding. This book teaches you that all though someone may be powerful they are still like us. God did model us from him, to be in his image so why shouldnt we have similar personalities. This book showed me a new image of god i hadnt seen before.](#)
