REVIEW OF VOLVO PENTA AQ WORKSHOP MANUAL 27

- At last the Time Wars will be reprinted. I've only been able to get the first four and No#6 , nothing else (and that took many years of searching). I guess I wouldn't have continued/hoping to find the books if I'd didn't think much of it.

- This is the best of the best when it comes to Sherlock Holmes. I am a long time fan Sir Arthur Conan Doyle; in fact he got me hooked on reading. I've now read Sherlock Holmes along with David Lehman's reissue of "The Perfect Murder: A Study in Detection" and found the two books perfect companions for anyone who loves understating the classic WHODUNIT.
