## REVIEW OF LONGMAN ACADEMIC READING SERIES 5

- I decided to reread the Asimov series in order. Asimov's "Foundation series" novels are classics of the science fiction genre. Some of the foundation novels drag on a bit but "Foundation and Empire" moves along well. The Asimov style emphasizes interpersonal relationships as opposed to showcasing gee-whiz science fiction apparatus. If you like science fiction you should read the foundation series novels as they are the basis of a lot of subsequent science fiction novels. Indeed, Star Wars may have been based on the Foundation novels or at least influenced their development.

- In the name of science, you will try to prove with propagande; if you really want to decode how junk scientifics manipulate the world: go <http://nomorefakenews.com> and do not buy this junk BOOK!
