## **REVIEW OF ALFA ROMEO GTV SPIDER 916 WORKSHOP SERVICE REPAIR 1995 2006**

- I would recommend this product to anybody! It is a great thing to have for any relationship. The recipes are truly delicious, and they are split nicely into tasks for Chef 1 and tasks for Chef 2. I would much rather stay in and have a "dinner date" than go out

to a restaurant, because not only do these meals taste better, but it also feels great knowing that you were the chef! Neither me nor my girlfriend have any cooking experience, but the recipes are detailed enough to allow us to create some great meals. The only drawbacks are that the meals can be quite expensive in some cases (needing to buy over \$100 in ingredients for one meal), and that in some instances the author leaves out some ingredients you may need for the meal on the ingredients list. I

would just recommend doing a quick run through of the plan for the night to make sure you have everything necessary. Pros: Great tasting recipes, fun nights with a partner, detailed steps, variety of recipes Cons: Expensive ingredients, some ambiguity when it comes to ingredients/recipes

- thank you for this wonderful gift. This will make a great and wonderful gift family/ friend enjoyed and will enjoy Cooking
