REVIEW OF THE BAKERS CHOICE OWNERS MANUAL

- I never left the side of the young shepherd boy and thoroughly enjoyed his quest for the Alchemist. I found sometimes, page after page would have me pondering like reading Anthony de Mello's snapshot guiding stories, for each interaction that came to the boy brought new light to reflect & consider. A truly magnificent work to mirror back to ones own life and a genuine portal to allow movement into other worlds around ourselves that do, it seems, exist; coincidences, chance meetings. The adults' Harry Potter surely.

- Excellent book. We learned a lot about making plans and the necessity of practicing those plans. We integrated several things from the book into our home defense plan.
