## REVIEW OF AN INTRODUCTION TO BUDDHISM TEACHINGS HISTORY AND PRACTICES

- This is a delightful collection of responses to an ancient question with a modern twist. Mare described each character to enable me to envision them answering the questions. Her post-scripts allowed me to see how each interview effected her, as I gained insight into myself by recognizing my own experiences and thoughts, past and present. I thank Mare and the people she interviewed for sharing their experiences and feelings as we journey with them. The beauty along the path is made more vivid when it is shared. - With love

- Essential to anyone looking for the core of the Buddha's teaching, which are of course his words. This book has everything of importance and leaves nothing out which is a rare text.
