From the bestselling author of *The Chilbury Ladies' Choir* comes an unforgettable novel of a BBC-sponsored wartime cooking competition and the four women who enter for a chance to better their lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY GOOD HOUSEKEEPING • "This story had me so hooked, I literally couldn't put it down."—NPR Two years into World War II, Britain is feeling her losses: The Nazis have won battles, the Blitz has destroyed cities, and U-boats have cut

off the supply of food. In an effort to help housewives with food rationing, a BBC radio program called *The Kitchen Front* is holding a cooking contest—and the grand prize is a job as the program's first-ever female co-host. For four very different women, winning the competition would present a crucial chance to change their lives. For a young widow, it's a chance to pay off her husband's debts and keep a roof over her children's heads. For a kitchen maid, it's a chance to leave servitude and find freedom. For a lady of the manor, it's a chance to escape her wealthy husband's increasingly hostile behavior. And for a trained chef, it's a chance to challenge the men at the top of her profession. These four women are giving the competition their all—even if that sometimes means bending the rules. But with so much at stake, will the contest that aims to bring the community together only serve to break it apart?

The period of wartime food rationing is now regarded as a time when the nation was at its healthiest. Food rationing was introduced in January 1940 after food shipments were attacked by German U-boat 'Wolf Packs'. The first food items to be rationed were butter, sugar, bacon

and ham, with restrictions also placed on meat, fish, jam, biscuits, cheese, eggs and milk. The leaflets reproduced in *Eating for Victory* were distributed by the Ministry of Food and advised the general public on how to cope with these shortages. Typical contents included: recipes for steamed and boiled puddings; tips on how to use and prepare green vegetables; hints about how to reconstitute dried eggs and use them as though they were fresh. *Eating for Victory* is a great gift book offering a nostalgic look at one of the hardest and yet perhaps healthiest times in history; it is also a relevant guide on healthy eating for today.

With a comprehensive character evaluation, we acquire a deeper understanding of the tale's styles and narrative. Analyzing the characteristics, motivations, and advancement of each character allows us to appreciate the intricacy of *Cooking For Victory* tale and the author's proficient representation of their characters.

Elizabeth Baird and Bridget Wranich have created an absorbing history of wartime meals, both in the military -- on the front, in the trenches, and at the command posts -- and at home. Lavishly illustrated, and accompanied by over 70 recipes, the text explores a wide range of topics, including the Ontario Farm Service Corps (and the Farmerettes); the creation of Butter Tarts; Cookbooks of World War One; Food Manufacturing; Booze; Food propaganda; Women's Institutes; Food labeling; and Government regulation. Research and testing by the Volunteer Cooks at Fort York.

The Battle and Victory of the Soul Createspace Independent Publishing Platform

When World War II began, Britain had an immediate crisis on its hands: its ability to import food drastically curtailed, the island would very quickly have to find ways both to produce more and use less. For that latter task, the kitchen was the headquarters, and this little book presents the battle plan. Drawn from scattered sources in the archives of the

Imperial War Museums and presented here in a charming gift book, the recipes of Victory is in the Kitchen helped guide British cooks as they coped with unprecedented scarcity and restrictions. Rustling up creative dishes out of meager rations, the recipes gathered here include scrap bread pudding, potato pastry, and sheep's heart pie, as well as adapted English standbys like Lancashire hot pot, Queen's Pudding, and crumpets. Interwoven with the recipes are colorful reproductions of inspirational wartime posters, while an introduction sets the historical context. The resulting package is the perfect gift for any cook, a reminder of a time when ration books and recipes had to be made to work together.

REVIEW OF COOKING FOR VICTORY

- I always know that when I set out to read a novel by Gabriel Garcia Marquez I am asking for it! Marquez's writing style and characters are like none else I have ever encountered. I was initiated through *Love in the Time of Cholera* some years ago and found I was still recovering from it before I chose to read *One Hundred Years of Solitude*. Marquez I believe, is one of my favorite storytellers yet! In *One Hundred Years of Solitude* Marquez captures time with ease. He tells a story that begins somewhere around where Genesis left as I understand it and spans the centuries to the life of today as if it were as easy as flying a kite over a field of flowers. It does not take long before you as the reader feel like one of the Buendia family and are as excited as they when the gypsies come to town or are as curious as to where Colonel Aureliano's troop is as Ursula, and you only wish you

really were there so that you could see the faces of all the Aurleianos's, Arcadio's, and Remedios's to be sure of who is who. The characters can be very confusing. I really enjoyed this book it was like escaping to another world, another time each time I picked it up, and that to me is my favorite part of reading.

- I read a ton of books, and have no problem with long or "difficult" reads. But it was just plain excruciating to read this book! I got about halfway through and, after speaking with others who finished it and was told nothing really

ever happens, I gave up. It's the same boring stuff over and over again. The characters' names are all so similar it's impossible to keep track of who's who, but who cares, because the author doesn't give you reason to care about any of them anyway! It's business as usual for a long time with regards to realism, then out of nowhere.. a flying carpet. (I'm sure at that point in the book, I resembled my dog tilting his head to one side over something perplexing and unexplainable.) There are sooo many captivating and enriching books out there.. I don't recommend wasting your time on this one.
