When World War II began, Britain had an immediate crisis on its hands: its ability to import food drastically curtailed, the island would very quickly have to find ways both to produce more and use less. For that latter task, the kitchen was the headquarters, and this little book presents the battle plan. Drawn from scattered sources in the archives of the Imperial War Museums and presented here in a charming gift book, the recipes of Victory is in the Kitchen helped guide British cooks as they coped with unprecedented scarcity and restrictions. Rustling up creative dishes out of meager rations, the recipes gathered here include scrap bread pudding, potato pastry, and sheep's heart pie, as well as adapted English standbys like Lancashire hot pot, Queen's Pudding, and crumpets. Interwoven with the recipes are colorful reproductions of inspirational wartime posters, while an introduction sets the historical context. The resulting package is the perfect gift for any cook, a reminder of a time when ration books and recipes had to be made to work together.

From the bestselling author of *The Chilbury Ladies' Choir* comes an unforgettable novel of a BBC-sponsored wartime cooking competition and the four women who enter for a chance to better their lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY GOOD HOUSEKEEPING • "This story had me

so hooked, I literally couldn't put it down."—NPR Two years into World War II, Britain is feeling her losses: The Nazis have won battles, the Blitz has destroyed cities, and U-boats have cut off the supply of food. In an effort to help housewives with food rationing, a BBC radio program called *The Kitchen Front* is holding a cooking contest—and the grand prize is a job as the program's first-ever female co-host. For four very different women, winning the competition would present a crucial chance to change their lives. For a young widow, it's a chance to pay off her husband's debts and keep a roof over her children's heads. For a kitchen maid, it's a chance to leave servitude and find freedom. For a lady of the manor, it's a chance to escape her wealthy husband's increasingly hostile behavior. And for a trained chef, it's a chance to challenge the men at the top of her profession. These four women are giving the competition their all—even if that sometimes means bending the rules. But with so much at stake, will the contest that aims to bring the community together only serve to break it apart?

REVIEW OF COOKING FOR VICTORY

- Someone gave this to our daughter, who is also named Frances. She absolutely loves the book, but now all she wants to eat is bread and jam. She used to eat at least PB&J, but now she skips the peanut butter. (Occasionally she'll refuse PB&J but agree to bread and jam with peanutbutter. Ha!) What do we do???
- I remember this book from my childhood and thought I'd order it to indulge in a little nostalgia. It's such a great book for teaching children about variety and new experiences.
