REVIEW OF DARTH VADER AND SON

- I own two copies of the movie and can resite it word for word. I had trouble finding the book but when I finally did I was totally impressed. I am only on the fourth chapter and have decided that I want to buy it. I will always love the movie and I make everyone I know watch it at least once. They all have grown to love it too. I hope they DO NOT come out with a sequel because then it will ruin the original movie. The first is always the best and always will be. Dont change what doesnt need to be changed. Princess Bride will always be my all time favorite.

- I thoroughly enjoyed this book. I have never been to these islands but through Melinda's words, I felt as though I was right there with them . . . meeting all of their new friends and employees, sharing their joys and sorrows, experiencing their challenges and achievements. I can't wait to read the new Blanchard's Table. Melanie Blanchard definitely knows how to write an extremely enjoyable book!
