REVIEW OF THE BEST OF HOSPITALITY ARCHITECTURE AND DESIGN

- A spell binding book. One can not stop reading. Sometimes you start believing, that magic could be real. I felt with Jessex and Kirith Kirin throughout the hole book. One hopes for them to win the great war and above all to be together one day happy and untroubeld.

I wish Arthen would be real and I could go there one day to become young again. I'm waiting for a sequel.

- This is a beautiful book ! It was & is so much fun to look at !
