'One of the most strikingly lyrical voices writing about the lives of Indian women' -- Amitav Ghosh 'Chitra Banerjee Divakaruni turns the Ramayana around by telling it in the voice of Sita ... this inversion is a gift - it presents us a with a way to know an already well-known story better and to love an already beloved story more' -- Arshia Sattar 'This inspired

evocation of the goddess Sita is an epic song of strength and solidarity told with joy and intensity. It brings to life the personalities and predicaments of the Ramayana' -- Namita Gokhale 'Among the many, many Ramayanas there are now even - thankfully - some "Sitayanas", but I know of none with the special magic that Chitra Divakaruni ... brings to the telling' -- Philip Lutgendorf 'Chitra Banerjee Divakaruni's Sita ... is an epitome of courage and self-respect, showing a path for all women. While weaving a familiar story, Chitra provides deep and surprising insights' -- Volga 'An incomparable storyteller' -- Denver Post 'Divakaruni's stories are irresistible' -- The New York Times Book Review 'Divakaruni's storytelling talents put her right up there with the best' -- Miami

Herald 'In recasting the Ramayan as a love story Divakaruni accords Sita parity with Ram, revealing her innate strength. By giving primacy to her thoughts and feelings this also becomes the private tale of Shri and Shrimati Ramchandra Raghuvanshi, two wonderful people who loved each other but who broke up. To readers well-acquainted with that tragedy of modern times, the failed marriage, it will appeal. The ending, however, surpasses all expectations.' -- The Sunday Standard 'The success of both The Palace Of Illusions and The Forest Of Enchantments hinges acutely on the skill with which Divakaruni deploys the narratorial voice.' -- Mint 'The Forest of Enchantments is one of the simplest and most beautiful retellings of Sage Valmiki's epic.' --

Jetwings 'Chitra Banerjee Divakaruni does justice to the women of Ramayana ... The Forest of Enchantments is not just a retelling of a much-told epic, rather it is a book that tells it like it is - balanced and non-judgmental.' -- Huffpost 'A work ... of pluralities and possibilities ... This is the Sitayan we will give to our daughters, that they may imbibe Sita's strength, and even more proudly to our sons, who will learn how a woman is to be treated' -- The Wire 'Banerjee is markedly feminist ... Her spin on the most pivotal moment of Sita's life, the agnipariksha episode, is a moment of feminist brilliance. Her Sita answers all the questions we would have had when listening to the Ramayana while leaving us with plenty of food for thought.' -- The New Indian Express 'Divakaruni's

retelling reminds her readers that the Ramayana, besides being a morality tale, is a love story at its heart' -- Huffpost 'Divakaruni and her women characters are a formidable pair' -- The Wire The Ramayana, one of the world's greatest epics, is also a tragic love story. In this brilliant retelling, Chitra Banerjee Divakaruni places Sita at the centre of the novel: this is Sita's version. The Forest of Enchantments is also a very human story of some of the other women in the epic, often misunderstood and relegated to the margins: Kaikeyi, Surpanakha, Mandodari. A powerful comment on duty, betrayal, infidelity and honour, it is also about women's struggle to retain autonomy in a world that privileges men, as Chitra transforms an ancient story into a gripping,

contemporary battle of wills. While the Ramayana resonates even today, she makes it more relevant than ever, in the underlying questions in the novel: How should women be treated by their loved ones? What are their rights in a relationship? When does a woman need to stand up and say, 'Enough!'

"Sing, goddess, the anger of Peleus' son Achilles / and its devastation." For sixty years, that's how Homer has begun the Iliad in English, in Richmond Lattimore's faithful translation-the gold standard for generations of students and general readers. This long-awaited new edition of Lattimore's Iliad is designed to bring the book into the twenty-first century-while leaving the poem as firmly rooted in ancient Greece as ever. Lattimore's elegant, fluent verses-with their memorably phrased heroic epithets and remarkable fidelity to the Greek-remain unchanged, but classicist Richard Martin has added a wealth of supplementary

materials designed to aid new generations of readers. A new introduction sets the poem in the wider context of Greek life, warfare, society, and poetry, while line-by-line notes at the back of the volume offer explanations of unfamiliar terms, information about the Greek gods and heroes, and literary appreciation. A glossary and maps round out the book. The result is a volume that actively invites readers into Homer's poem, helping them to understand fully the worlds in which he and his heroes lived-and thus enabling them to marvel, as so many have for centuries, at Hektor and Ajax, Paris and Helen, and the devastating rage of Achilles.

Bhagat Singh spent the last two years of his life in jail, awaiting execution. During this time, he and his comrades fought one of the most celebrated court battles

in the annals of national liberation struggles, and used the court as a vehicle for the propagation of their revolutionary message. They also struggled against the inhuman conditions in the colonial jail, and faced torture and pain. Their heroism made them icons and figures of inspiration for generations to come. All this is well-known. What is not so well-known is that Bhagat Singh wrote four books in jail. Although they were smuggled out, they were destroyed and are lost forever. What survived was a Notebook that the young martyr kept in jail, full of notes and jottings from what he was reading. In the year of his birth centenary, LeftWord is proud to present his Notebook in an elegant edition. This edition has been checked against the copy preserved in

the National Archives of India. The Notebook is richly annotated by Bhupender Hooja; and the annotations have been revised and updated for this edition. Also included are the most important texts that Bhagat Singh wrote in jail, Chaman Lal's lucid introduction, the New York Daily Worker's reports and Periyar's editorial on the hanging.

The father of fiber optics, Narinder Singh Kapany was far more than your typical multi-hyphenate. Inventor, art collector, sculptor, farmer, entrepreneur, teacher, and a successful businessman, Dr Kapany was what Fortune magazine in its 1999 issue called, 'one of the seven unsung heroes of the 20th century'. An insightful and inspirational life story, this memoir chronicles his 90 remarkable

years. Charming, idiosyncratic, and highly engaging, *The Man who Bent Light* serves up enough variety and verve to celebrate the lives of a half-dozen individuals. But there is only one Narinder Singh Kapany, and his life, illuminated in his singular memoir, is a life like no other.

Weeks before India announced a total lockdown to combat the Covid-19 pandemic in March 2020, the drama and

governance coup in Madhya Pradesh political theatre was already speaking. Jyotiraditya Scindia dumped the Congress overnight for the Bharatiya Janata Party (BJP) bringing down the former from power in the state. Many saw the return of the prodigal grandson as the reunion of the political dynasty of Scindias under BJP's catch-all umbrella. Jostling to spill over, along with priceless jewels in the treasury of Jai Vilas palace — the Scindias' royal abode in Gwalior — are many carefully buried secrets. Some are best hidden away, such as the Gwalior monarchs' controversial role during the revolt of 1857. Others need to be kept out of sight for diplomatic causes, such as the Rajmata's excessive dependency on her 'Rasputin' and the resultant mistrust of her only son,

Madhavrao. One of the bigger questions is the palace alleged and under-probed role in Mahatma Gandhi's assassination. It is perhaps because of these unsolved mysteries that curiosity about the Scindias — a family that has given India many a salesperson across party lines — continues to dominate India's public imagination. With political intrigue, palace conspiracies, cut-throat rivalry and an ugly public feud, betrayals and property wars fought in courts, and siblings that do not look eye to eye, the Scindias make tantalizing headlines. With a wealth of information about the Gwalior royals, The House of Scindias is their most definitive and revealing biography.

## **REVIEW OF NARINDER SINGH KAPOOR**

- This is story that takes you on a chilling ride through the eyes of a madman. There are many unexpected twists and turns that will leave you reeling, and wanting more. It's wonderfully written story with plenty of suspense and mystery. A MUST read!!
- Steven Erikson's series "The Malazan Book of the Fallen" is widely considered one of today's Great Fantasy Series and he is often listed at or near the top of the list of the best fantasy authors writing today. He's good, but it'll take a few more books until I'm willing to anoint him above a certain George Martin. Thus far only three of his Malazan novels have been published in America and I'm

waiting for the third volume, "The Memories of Ice", to come from the library. It's possible that Book 4, "House of Chains", is out, but my library certainly doesn't have it yet. Anyway, along with the primary Malazan series Erikson is also writing a series of novellas set in this same world/universe, but featuring secondary characters which may or may not appear in the main series. As the Malazan books progress we'll see how they tie together or if they even do. "Blood Follows" is the first of these novellas and it is described as being "A Tale of Bauchelain and Korbil Broach". Who? I don't know, either. Maybe they show up in "The Memories of Ice", but I can't say for sure yet. The story of "Blood Follows" touches up this Bauchelain and Korbil Broach,

but the story the novella is telling is two fold. First we have Emancipor Reece, a former coachman for a local merchant who was just killed by this serial killer who has been eviscerating his victims one a night for the past eleven nights. Reece is now out of a job and his wife is commanding that he not come home until he finds one. He does, of course, and it is in the employ of a Bauchelain as his manservant. There is also a sergeant of the city watch who has been ordered by the King to stop the murders and bring the killer to justice. The sergeant is good at his job. Since Reece's last three employers all have ended up dead he is someone the sergeant first talks to, but his investigation also takes him to the foreigners Bauchelain and the so far unseen Korbil Broach. The novella is only

120 pages or so and Erikson does not have the space to indulge in slowing teasing the reader with little bits of detail across hundreds of pages and "Blood Follows" reads easier than the main Malazan books. It doesn't have the depth of satisfaction or richness as the Malazan books but it does add something to the world, that there is something else going on that may

eventually tie in to the main story and how everything may connect. I'm actually looking forward to the novellas as much as I am the novels, if as much because the novellas are less of a time commitment. Finding out more about Bauchelain and Korbal Broach will be interesting and now that Reece has left the city with the two I can only wonder what darkness comes next.
