REVIEW OF CPMT QUESTION PAPER HINDI

- Look, you got a dog or two? Living or traveling in southern

California? Then you need this book! Seriously, to find out which beaches, parks, restaurants, hotels, etc. will accept your pooch in LA or OC, this is it. Lots of little-known dog-friendly places and tips on travel make this book worth its price.

- Each to his own taste, but I wish I'd read some of the negative

reviews here before I wasted time and money on this book. The only "secret" revealed in this book is the author's personal, overt political pro abortion and gay marriage agenda. Seriously, if you are a Christian, do yourself a favor and just skip this ridiculous attempt to make fun of your Christian beliefs.
