REVIEW OF THE SMART SOLUTION BOOK 68 TOOLS FOR BRAINSTORMING PROBLEM SOLVING AND DECISION MAKING

- "For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast." (Eph 2:8,9 ESV)When I first began reading this book I was concerned that it could easily open itself to be interpreted as a legalistic manuscript that subverted God's grace and espoused a works based faith. How wrong I was! Dr. Whitney lays out in numerous cases that we are saved through faith and not by works. Now, after reading the book twice, I find that what J.I. Packer says in the forward cannot be improved upon; ". . . so that I can go on record as urging all Christians to read what Don Whitney has written; indeed, to read it three times

over, with a month's interval . . . between each reading."Each chapter is dedicated to a specific discipline. These are: Bible intake, prayer, worship, evangelism, serving, stewardship, fasting, silence and solitude, journaling, and learning. There are numerous nuggets of wisdom that can be found throughout the book. What I enjoyed (and respected Dr. Whitney for doing) was that he not only drew off his own understanding and ample passages in scripture, but he drew heavily off other Christian giants by quoting them frequently. Undoubtedly, Dr. Whitney is very well read and skillfully uses quotes, stories, and experiences of these men and women to help make his point. The only words that are quoted more often than respected believers are the words of scripture. He does a very good job of using God's Word

to emphasize and support the discipline being discussed. I could not find one instance where he misuses a verse to suit his own agenda. My book is now ripe with highlighted bible passages. (In fact, I'll be using this book as a reference to find future passages to memorize!) My biblical understanding and desire to strive to become more like Christ was (and is) has been sharpened through the reading of this book. We are saved by grace through faith alone, but we are also required to witness and live out our love for God just as Jesus did.

- I received this book on time and in good shape. The book has lots of stories that lead you to an interesting climax but the climax never comes.
