And if you ever before require aid discovering the ideal book, our knowledgeable team is right here to supply personalized referrals.

REVIEW OF SYLLABUS OF MARINE ENGINEER

- I found Bredin's book to be most useful while doing a project on the Dreyfus Affair and its impact on the Zionist movement; namely, Herzl's personal experience of the Affair and how he utilised the Dreyfus Affair as the pinnacle of antimsemitism in Europe to propagate Zionism. Not only does Bredin focus on the logistics of the Affair with intricate details of the main players and day-by-day accounts, but also uses the impact of the Affair on France and on the world to in a sense show what can be learned from the past, which is what history is all about anyway. A considerable amount of pages is devoted to Theodore Herzl who witnessed Dreyfus' military degradation and humiliation; there were excellent quotes that I could use as evidence of

historiography and a summary of Bredin's view. As with any event, there are always ramifications on the individual, the group or the country, which Bredin takes into account thereby widening the scope of the Affair into something of which any reader can take heed.

- Cookson has been writing historical fiction for over forty years and I have been reading it for close to thirty. After her death in 1998 her estate released this last book. As always she gives us strong characters with loving ways, drama, death, murder, class struggles, and even a bit of lust and loving along

the way. Set in Northeast England we are entertained by the comings and goings of the Stewart family. Patti the rebellious daughter, and Daniel the subservient son, manipulated by a father Hector Stewart who is evil and pathetic. After their mother's death, Hector finds he hasn't the money to run the farm, so is forced to marry an Irish woman with the promise of an inheritance. I love how Cookson is able to take the reader into her world and make you want to return to it. Even after years without one of her books, I find myself drawn to them, like a renewal of something wonderful never to be forgotten. She will be sorely missed.
