REVIEW OF CAPTIVATED BY YOU CROSSFIRE 4 READ ONLINE

- The beginning seemed slow but as I got past the first few pages I became engrossed and couldn't put it down.
- This book is about two Mexican brothers, Jesse and Abel who are tired of struggling to be able to live the next day. They both work long hours in cotton and grape fields to be able to put themselves through college, but no matter how hard they try things always get in their way. Recommendations: I think that I would recommend this book to everyone adults and my peers. I would like my peers to read this book because it would help them to see that no matter who or what comes in their way, never give up but keep on going because if it is for the good it will only make you a better person.
