## **REVIEW OF ELEMENTS OF LANGUAGE INTRODUCTORY COURSE**

- I've been an avid reader since childhood and I can count on one

hand the times I haven't finished a book. This one falls into that category. I love cooking and Julia Child so I was looking forward to reading this. Despite the overuse of profanity, the endorsement of destructive behavior(encouraging friends in adulterous affairs) and the incessant bashing of "evil" Republicans, I pushed on. I'm 3/4 of the way through the book and I'm done. I just can't take anymore! I usually read Amazon reviews before spending money on a book but on impulse picked this up at B&N. Lesson learned! SO glad I didn't waste money on a movie ticket!

- The Truth About Breast Cancer: A 7-Step Prevention Plan is a soundly researched and highly accessible work that offers practical, useful information about breast cancer and what those at risk can do to prevent it. Joseph Keon surveys and explains the risk factors for breast cancer, offers a complete seven-step approach to preventing breast cancer, and four chapters dedicated to "Cooking for Health" and transitioning to a risk-avoidance dietary life-style. Enhanced with resource lists, extensive notes, and an index, The Truth About Breast Cancer is highly recommended, life-saving reading specifically and successfully designed for the non-specialist general reader.
