REVIEW OF GORILLA LIBRO SUI GORILLA PER BAMBINI CON FOTO

STUPENDE STORIE DIVERTENTI

- The book was very good except it ended abruptly. It builds up the unknown Elsewhere and then leaves you short. The reader doesn't even get to go there.
- It is not hard to understand why the content, though seemingly complex, is in fact shallow. It is written for mentally careless or untrained people, especially children, that can be easily led astray if the content does not bring attention to unresolvable problems. Insofar as being used as class assigned reading material for study it should be recognized that most teachers are incapable of sufficient analysis of

its content in order to explain it properly to their students. MY LIL 9yrs old got this assigned,.... OHH myyy!!!!!!! She had nightmares for days!!!!!!!!!!!!!!!!!!!!!!
