Nine-year-old Meena can't wait to grow up and break free from her parents. But, as the daughter of the only Punjabi family in the mining village of Tollington, her struggle for independence is different from most.

Holy Cow Tata McGraw-Hill Education

Gramsci and the concept of hegemony cast a long shadow over radical political theory. Yet how far has this theory got us? Is it still central to feminism, anti-capitalism, anti-racism, anarchism, and

other radical social movements today? Unlike previous revolutionary movements, Day argues, most contemporary radical social movements do not strive to take control of the state. Instead, they attempt to develop new forms of self-organisation that can run in parallel with---or as alternatives to---existing forms of social, political, and economic organization. This is to say that they follow a logic of affinity rather than one of hegemony. This book draws together a variety of different strands in political theory to weave together an innovative new approach to politics today. Rigorous and wide-ranging, Day introduces and interrogates key concepts. From Hegel's concept of recognition, through theories of hegemony and affinity to Hardt and Negri's reflections on Empire, Day maps academia's theoretical and philosophical concerns onto today's politics of the street. Ideal for all students of political theory, Day's fresh approach combines Marxist, Anarchist and Post-structuralist theory to shed new light on the politics and practice of contemporary social movements.

The Girl in Room 105 New Age International

Marriage globally is undergoing profound change, provoking widespread public comment and concern. Through the close ethnographic examination of case studies drawn from Africa, Asia, Europe and North America, *Marriage in Past, Present and Future Tense* places new and changing forms of marriage in comparative perspective as a transforming and also transformative social institution. In conditions of widespread socio-political inequality and instability, how are the personal, the familial and the political co-produced? How do marriages encapsulate the ways in which memories of past lives, present experience and imaginaries of the future are articulated? Exploring the ways that marriage draws together and distinguishes history and biography, ritual and law, economy and politics in intimate family life, this volume examines how familial and personal relations, and the ethical judgements they enfold, inform and configure social transformation. Contexts that have been partly shaped through civil wars, cold war and colonialism – as well as other forms of violent socio-political rupture – offer especially apt opportunities for tracing the interplay between marriage and politics. But rather than taking intimate family life and gendered practice as simply responsive to wider socio-political forces, this work explores how marriage may also create social change. Contributors consider the ways in which marital practice traverses the domains of politics, economics and religion, while marking a key site where the work of linking and distinguishing those domains is undertaken.

Third a Kiss Dundurn

Suitable for students pursuing courses in management in universities and students in India, this work explains the fundamentals of the subjects and is illustrated with practical examples in Indian environment.

Klara and the Sun University of Texas Press

A comprehensive collection of essays in multidisciplinary metaphor scholarship that has been written in response to the growing interest among scholars and students from a variety of disciplines such as linguistics, philosophy, anthropology, music and psychology. Indian Women Fight Back! United Nations

The book uses anthropological methods and insights to study the practice of anthropology. It calls for a paradigm shift, away from the publication treadmill, toward a more profile-raising paradigm that focuses on addressing a broad array of social concerns in meaningful ways.

Drawing the Line Emblem Editions

Is gender something done to us by society, or something we do? What is the relationship between gender and other inequalities? What is Gender? explores these complex and important questions, helping readers to critically analyse how women's and men's lives are shaped by the society in which they live. The book offers a comprehensive account of trends in sociological thinking, from a material and economic focus on gender inequalities to the debates about meaning initiated by the linguistic or cultural turn. The book begins by questioning simplistic biological conceptions of gender and goes on to evaluate different theoretical frameworks for explaining gender, as well as political approaches to gender issues. The cultural turn is also examined in relation to thinking about how gender is related to other forms of inequality such as class and 'race'. The book is up-to-date and broad in its scope, drawing on a range of disciplines, such as: sociology, psychoanalysis, masculinity studies, literary criticism, feminist political theory, feminist philosophy and feminist theory.

Economic Science Fictions Policy Press

Global Nomads provides a unique introduction to the globalization of countercultures, a topic largely unknown in and outside academia. Anthony D'Andrea examines the social life of mobile expatriates who live within a global circuit of countercultural practice in paradoxical paradises. Based on nomadic fieldwork across Spain and India, the study analyzes how and why these post-metropolitan subjects reject the homeland in order to shape an alternative lifestyle. They become artists, therapists, exotic traders and bohemian workers seeking to integrate labor, mobility and spirituality within a cosmopolitan culture of expressive individualism. These countercultural formations, however, unfold under neo-liberal regimes that appropriate utopian spaces, practices and imaginaries as commodities for tourism, entertainment and media consumption. In order to

understand the paradoxical globalization of countercultures, *Global Nomads* develops a dialogue between global and critical studies by introducing the concept of 'neo-nomadism' which seeks to overcome some of the shortcomings in studies of globalization. This book is an essential aide for undergraduate, postgraduate and research students of Sociology, Anthropology of Globalization, Cultural Studies and Tourism Studies.

Papuan Pictures UCL Press

'An interesting and important account.' Daily Telegraph Have you ever stopped and wondered where your jeans came from? Who made them and where? Ever wondered where they end up after you donate them for recycling? Following a pair of jeans, *Clothing Poverty* takes the reader on a vivid around-the-world tour to reveal how clothes are manufactured and retailed, bringing to light how fast fashion and clothing recycling are interconnected. Andrew Brooks shows how recycled clothes are traded across continents, uncovers how retailers and international charities are embroiled in commodity chains which perpetuate poverty, and exposes the hidden trade networks which transect the globe. Stitching together rich narratives, from Mozambican markets, Nigerian smugglers and Chinese factories to London's vintage clothing scene, TOMS shoes and Vivienne Westwood's ethical fashion lines, Brooks uncovers the many hidden sides of fashion.

Living By the Book Good Press

The controversial chronicle of a motel owner who secretly studied the sex lives of his guests by the renowned journalist and author of *Thy Neighbor's Wife*. On January 7, 1980, in the run-up to the publication of his landmark bestseller *Thy Neighbor's Wife*, Gay Talese received an anonymous letter from a man in Colorado. "Since learning of your long-awaited study of coast-to-coast sex in America," the letter began, "I feel I have important information that I could contribute to its contents or to contents of a future book." The man—Gerald Foos—then divulged an astonishing secret: he had bought a motel outside Denver for the express purpose of satisfying his voyeuristic desires. Underneath its peaked roof, he had built an "observation platform" through which he could peer down on his unwitting guests. Over the years, Foos sent Talese hundreds of pages of notes on his guests, work that Foos believed made him a pioneering researcher into American society and sexuality. Through his *Voyeur's* motel, he witnessed and recorded the harsh effects of the war in Vietnam, the upheaval in gender roles, the decline of segregation, and much more. In *The Voyeur's Motel*. "the reader observes Talese observing Foos observing his guests." An extraordinary work of narrative journalism, it is at once an examination of one unsettling man and a portrait of the secret life of the American heartland over the latter half of the twentieth century (Daily Mail, UK). "This is a weird book about weird people doing weird things, and I wouldn't have put it down if the house were on fire." —John Greenya, Washington Times

Because You Can! SAGE

This volume discusses adolescent mental health concerns in non-Western contexts and situations, ranging from common mental disorders to building life skills. It combines previous literature and empirical work on various disorders to provide a comprehensive account of cognitive behaviour therapy (CBT) for adolescents. The volume covers a wide spectrum of conditions, ranging from

anxiety to affective disorders and other associated disorders. It gives a practical guide to the management of disorders with specific focus on case vignettes, outlining session details and specific techniques to be used throughout the intervention plan. A detailed appendix elaborating various CBT techniques is included in the volume. The Merchant of Venice Crown

In her twenties, journalist Sarah Macdonald backpacked around India and came away with a lasting impression of heat, pollution and poverty. So when an airport beggar read her palm and told her she would return to India—and for love—she screamed, “Never!” and gave the country, and him, the finger. But eleven years later, the prophecy comes true. When the love of Sarah’s life is posted to India, she quits her dream job to move to the most polluted city on earth, New Delhi. For Sarah this seems like the ultimate sacrifice for love, and it almost kills her, literally. Just settled, she falls dangerously ill with double pneumonia, an experience that compels her to face some serious questions about her own fragile mortality and inner spiritual void. “I must find peace in the only place possible in India,” she concludes. “Within.” Thus begins her journey of discovery through India in search of the meaning of life and death. Holy Cow is Macdonald’s often hilarious chronicle of her adventures in a land of chaos and contradiction, of encounters with Hinduism, Islam and Jainism, Sufis, Sikhs, Parsis and Christians and a kaleidoscope of yogis, swamis and Bollywood stars. From spiritual retreats and crumbling nirvanas to war zones and New Delhi nightclubs, it is a journey that only a woman on a mission to save her soul, her love life—and her sanity—can survive.

An Anthropology of Anthropology Global Education Monitoring Report 2020 Inclusion and Education - All Means All

Alfred Hitchcock is arguably the most famous director to have ever made a film. Almost single-handedly he turned the suspense thriller into one of the most popular film genres of all time, while his Psycho updated the horror film and inspired two generations of directors to imitate and adapt this most Hitchcockian of movies. Yet while much scholarly and popular attention has focused on the director's oeuvre, until now there has been no extensive study of how Alfred Hitchcock's films and methods have affected and transformed the history of the film medium. In this book, thirteen original essays by leading film scholars reveal the richness and variety of Alfred Hitchcock's legacy as they trace his shaping influence on particular films, filmmakers, genres, and even on film

criticism. Some essays concentrate on films that imitate Hitchcock in diverse ways, including the movies of Brian de Palma and thrillers such as True Lies, The Silence of the Lambs, and Dead Again. Other essays look at genres that have been influenced by Hitchcock's work, including the 1970s paranoid thriller, the Italian giallo film, and the post-Psycho horror film. The remaining essays investigate developments within film culture and academic film study, including the enthusiasm of French New Wave filmmakers for Hitchcock's work, his influence on the filmic representation of violence in the post-studio Hollywood era, and the ways in which his films have become central texts for film theorists.

After Hitchcock Grove/Atlantic, Inc.

Marion and Shiva Stone are twin brothers born of a secret union between a beautiful Indian nun and a brash British surgeon. Orphaned by their mother's death and their father's disappearance and bound together by a preternatural connection and a shared fascination with medicine, the twins come of age as Ethiopia hovers on the brink of revolution. Moving from Addis Ababa to New York City and back again, Cutting for Stone is an unforgettable story of love and betrayal, medicine and ordinary miracles—and two brothers whose fates are forever intertwined.

Is It Time to Shift Paradigms UCL Press

From her place in the store, Klara, an Artificial Friend with outstanding observational qualities, watches carefully the behaviour of those who come in to browse, and of those who pass in the street outside. She remains hopeful a customer will soon choose her, but when the possibility emerges that her circumstances may change for ever, Klara is warned not to invest too much in the promises of humans. In 'Klara and the Sun', Kazuo Ishiguro looks at our rapidly-changing modern world through the eyes of an unforgettable narrator to explore a fundamental question: what does it mean to love?

Between the Assassinations MIT Press

This collection examines the nexus between the emancipation of women, and their role(s) in civil service organisations. It covers the role of social media in organising, the significance of religion in many cultural contexts, activism in Eastern Europe and the impact of environmental degradation on women's lives.

500 Years of New Words UCL Press

Welcome to Kittur, India. It's on India's southwestern coast, bounded by the Arabian Sea to the west and the Kalamanna River to the south and east. It's blessed with rich soil and scenic beauty, and it's been around for centuries. Of its 193,432 residents, only 89 declare themselves to be without religion or caste. And if the characters in Between the Assassinations are any indication, Kittur is an extraordinary crossroads of the brightest minds and the poorest morals, the up-and-coming and the downtrodden, and the poets and the prophets of an India that modern literature has rarely addressed. A twelve-year-old boy named Ziauddin, a gofer at a tea shop near the railway station, is enticed into wrongdoing because a fair-skinned stranger treats him with dignity and warmth. George D'Souza, a mosquito-repellent sprayer, elevates himself to gardener and then chauffeur to the lovely, young Mrs. Gomes, and then loses it all when he attempts to be something more. A little girl's first act of love for her father is to beg on the street for money to support his drug habit. A

factory owner is forced to choose between buying into underworld economics and blinding his staff or closing up shop. A privileged schoolboy, using his own ties to the Kittur underworld, sets off an explosive in a Jesuit-school classroom in protest against casteism. A childless couple takes refuge in a rapidly diminishing forest on the outskirts of town, feeding a group of "intimates" who visit only to mock them. And the loneliest member of the Marxist-Maoist Party of India falls in love with the one young woman, in the poorest part of town, whom he cannot afford to wed. *Between the Assassinations* showcases the most beloved aspects of Adiga's writing to brilliant effect: the class struggle rendered personal; the fury of the underdog and the fire of the iconoclast; and the prodigiously ambitious narrative talent that has earned Adiga acclaim around the world and comparisons to Gogol, Ellison, Kipling, and Palahniuk. In the words of *The Guardian* (London), "*Between the Assassinations* shows that Adiga...is one of the most important voices to emerge from India in recent years." A blinding, brilliant, and brave mosaic of Indian life as it is lived in a place called Kittur, *Between the Assassinations*, with all the humor, sympathy, and unflinching candor of *The White Tiger*, enlarges our understanding of the world we live in today.

REVIEW OF BENT OVER TEASE CAPTIONS KERALAWOMENS FUCKS BOOBS SUKING

- I read this book to my two sons, 7, 9 and my husband, during long drives. We all loved it. Even though the main character is a girl, my boys were interested the entire time and identified with Laura. The descriptions are great and the characters are well-drawn. We're now reading *These Happy Golden Years* and my family is loving that, too. I recommend this book for a family to read together.

- I began this story right after finishing *The Adventures of Tom Sawyer* and was expecting a lighthearted tale featuring a dog. That is not what this story is and I wish I hadn't read it right before going to bed. What this dog goes through is heartbreaking and you should know that before you read it. Mark Twain does a great job of presenting this anti-vivisection tale and even more depressing when you realize that it has been 102 years since his death and we are still using dogs for research. Don't not read it, but do be aware of what you are in for when you begin this story.
