## **REVIEW OF OPERATIONS MANAGEMENT HEIZER 10TH EDITION SOLUTIONS FREE**

- If I knew this was made in China I would have purchased a knot book printed in the USA instead.
- We had seen a fantastic theatrical production of *The Wind and the Willows* at Imagination Stage in Bethesda. My 6 year old granddaughter was mesmerized. I had seen the book in the gift shop and was very impressed with the illustrations. I decided to give it to her for a Christmas gift. I did worry that this edition is abridged, but the other reviews convinced me that it really was not a problem. She declared it her favorite book and her Mom reports that she takes it into her "tent" to read and really seems to be enjoying it.
