## REVIEW OF ENSEST OKU

- This could/should be the book required in high school on the American Civil War and Reconstruction. It's also a romantic novel from a female's perspective, which is an interesting twist on a genre that traditionally has male heroes.
- I am just really getting started reading *Gone With The Wind*, so don't feel I have a real handle on the story as of yet. It is good enough to keep me reading and not lose interest.
