INCLUDES AN EXTRACT FROM ORIGIN,THE NEW THRILLER BY DAN BROWN: OUT NOW -----
----- Harvard professor Robert Langdon receives an urgent late-night phone call while on business in Paris: the elderly curator of the Louvre has been brutally murdered inside the museum. Alongside the body, police have found a series of baffling codes. As Langdon and a gifted French cryptologist, Sophie Neveu, begin to sort through the bizarre riddles, they are stunned to find a trail that leads to the works of Leonardo Da Vinci - and suggests the answer to a mystery that stretches deep into the vault of history. Unless Langdon and Neveu can decipher the labyrinthine code and quickly assemble the pieces of the puzzle, a stunning historical truth will be lost forever...

SKY WRI TEI NGS [Sky Writings] Head of Zeus

Every major airport has a three-letter code from the International Air Transport Association. In perhaps history's greatest-ever feat of armchair travel, Nasser Hussain has written a collection of poetry entirely from those codes. In a dazzling aeronautic feat of constraint-based writing, SKY WRI TEI NGS explores the relationship between language and place in a global context. Watch as words jet-set across the map, leaving a poetic flight path. See letters take flight (and leave their baggage behind).

A Novel Coach House Books

The Book of John Mandeville has tended to be neglected by modern teachers and scholars, yet this intriguing and copious work has much to offer the student of medieval literature, history, and culture. [It] was a contemporary bestseller, providing readers with exotic information about locales from Constantinople to China and about the social and religious practices of peoples such as the Greeks, Muslims, and Brahmins. The Book first appeared in the middle of the fourteenth century and by the next century could be found in an extraordinary range of European languages: not only Latin, French, German, English, and Italian, but also Czech, Danish, and Irish. Its wide readership is also attested by the two hundred fifty to three hundred medieval manuscripts that still survive today. Chaucer borrowed from it, as did the Gawain-poet in the Middle English Cleanness, and its popularity continued long after the Middle Ages.

Reclaiming Conservative Pessimism JHU Press

On the anniversary of the roundup of Jews by the French police in Paris, Julia is asked to write an article on this dark episode and embarks on an investigation that leads her to long-hidden family secrets and to the ordeal of Sarah.

Drawing on examples of the hottest innovators in Silicon Valley, this step-by-step guide will show you how to develop, test and launch your impossibly big idea to success. Almost every major company today has made innovation its number one priority. Yet fewer than one in four executives believe their organizations are effective innovators. The pressure to innovate and the price paid for failure keeps rising, while most companies haven't progressed at all. They are still using the same antiquated techniques pioneered decades ago. This is why some of the biggest corporations in the world manage to lose entire markets to startups they've never heard of. In today's world, everyone will need to innovate to stay competitive. It doesn't matter if you're a startup founder, corporate executive, small business owner, freelancer or professional, there's a technology out there that's going to upend your industry. And if you aren't able to harness it to your advantage, someone else will. Innovation is no longer an option--it's the price of admission into the business world. Make Elephants Fly is designed to help you implement the same innovation methodologies and processes as Silicon Valley startups. It will teach you: How startups come up with breakthrough products and services. How to structure innovation teams. The best ways to identify and vet new ideas. What it takes to foster a culture of innovation. How to establish a process of innovation throughout your organization. By the time you've digested this book, you will have the tools needed to take your impossibly big idea and make it fly!

A Novel Harper Collins

A headstrong girl. A stray cat. A wild boy. A man who plays with fire. Eleven-year-old Zoë trusts no one. Her father left before she was born. At the death of her irresponsible mother, Zoë goes to live with her uncle, former surgeon and famed metal sculptor Dr. Henry Royster. She's sure Henry will

fail her as everyone else has. Reclusive since his wife's death, Henry takes Zoë to Sugar Hill, North Carolina, where he welds sculptures as stormy as his moods. Zoë and Henry have much in common: brains, fiery and creative natures, and badly broken hearts. Zoë confronts small-town prejudice with a quick temper. She warms to Henry's odd but devoted friends, meets a mysterious teenage boy living wild in the neighboring woods, and works to win the trust of a feral cat while struggling to trust in anyone herself. In this ALA Notable Children's Book and Kirkus Reviews Best Children's Book of the Year, Zoë's questing spirit leads her to uncover the wild boy's identity, lay bare a local lie, and begin to understand the true power of Henry's art. Then one decisive night, she and the boy risk everything in a reckless act of heroism.

Doomsday Book Swoon Reads

A tongue-in-cheek report on what the author identifies as pseudo-idealistic challenges facing conservatism today upholds such figures as Lord Salisbury, Calvin Coolidge, and Pat Buchanan as characteristic of authentic conservatism, in a report that calls for more realistic practices while covering such topics as diversity, education, and religion.

Celebrating Marvin Meyer Boyds Mills Press

A gorgeously illustrated co-publication with Christine Burgin by “one of the world’s great essayists” (The New York Times). With a guide to the illustrations by Mary Wellesley. Angels have soared through Western culture and consciousness from Biblical to contemporary times. But what do we really know about these celestial beings? Where do they come from, what are they made of, how do they communicate and perceive? The celebrated essayist Eliot Weinberger has mined and deconstructed, resurrected and distilled centuries of theology into an awe-inspiring exploration of the heavenly host. From a litany of angelic voices, Weinberger’s lyrical meditation then turns to the earthly counterparts, the saints, their lives retold in a series of vibrant and playful capsule biographies, followed by a glimpse of the afterlife. Threaded throughout Angels & Saints are the glorious illuminated grid poems by the eighteenth-century Benedictine monk Hrabanus Maurus. These astonishingly complex, proto-“concrete” poems are untangled in a lucid afterword by the medieval scholar and historian Mary Wellesley.

The Book of John Mandeville Macmillan

"A world made by the Eight Creators on which to play out their games of passion and power, Paradise is a sprawling, diverse, often brutal place. Men and women live on Paradise as do dogs, cats, ferrets, goats, and horses. But dinosaurs predominate: wildlife, monsters, beasts of burden--and of war"--Amazon.com.

(Robert Langdon Book 2) Little, Brown

A young artist pursues a search for knowledge through the treatment of homosexuality and the collapse of morality in middle class France.

The Counterfeiters Weidenfeld & Nicolson

From the New York Times–bestselling author of Legends of the Fall: “Harrison spins the common chaff of a road trip into gold” (Tim McNulty, The Seattle Times). “It used to be Cliff and Vivian and now it isn’t.” With these words, Jim Harrison begins a riotous, moving novel that sends a sixty-something man, divorced and robbed of his farm by a late-blooming real estate shark of an ex-wife, on a road trip across America. Cliff is armed with a childhood puzzle of the United States and a mission to rename all the states and state birds, the latter of which have been unjustly saddled with white men’s banal monikers up until now. His adventures take him through a whirlwind affair with a former student from his high-school-teacher days twenty-some years before, to a “snake farm” in Arizona owned by an old classmate, and to the high-octane existence of his son, a big-time movie producer who has just bought an apartment over the Presidio in San Francisco. Jim Harrison’s riotous and moving cross-country novel, The English Major, is the map of a man’s journey into, and out of, himself. It is vintage Harrison—reflective, big-picture American, and replete with wicked wit. “The English Major is to midlife crisis what The Catcher in the Rye is to adolescence.” —Susan Salter Reynolds, Los Angeles Times

New Directions in Prose and Poetry 20 Prometheus Books

A glamorous prep school girl goes missing after a love affair with a teacher in this "immensely satisfying" thriller from France's #1 bestselling novelist (Harlan Coben). Twenty-five years ago, on a campus paralyzed by a snowstorm, beautiful 19-year-old Vinca Rockwell ran away with her philosophy teacher after they began a secret affair. For Vinca, "love is everything or nothing." She is never seen again. The once inseparable Manon, Thomas and Maxime -- Vinca's best friends -- have not spoken since graduation. Twenty-five years earlier, under terrible circumstances, the three of them committed a murder and buried the body in the gymnasium wall, the same wall that is about to be demolished to make way for an ultramodern new building. Now, the three friends are about to meet again at their reunion. Will decades of lies unravel to reveal what really happened on that deadly winter night? Taut, suspenseful, and addictive, The Reunion will grip you until its haunting final page.

Economic history states that money replaced a bartering system, yet there isn't any evidence to support this axiom. Anthropologist Graeber presents a stunning reversal of this conventional wisdom. For more than 5000 years, humans have used elaborate credit systems to buy and sell goods. Since the beginning of the agrarian empires, humans have been divided into debtors and creditors. Through time, virtual credit money was replaced by gold and the system as a whole went into decline. This fascinating history is told for the first time.

A razor - sharp evisceration of celebrity culture and literary fame, How I Became a Famous Novelist is a satirical novel masquerading as a tell - all memoir. Sick of life as he knows it, Pete Tarslaw sets out to write a bestselling novel, armed with a formula for success cobbled together from previous bestsellers: he abandons truth, relies heavily on lyrical prose, creates a club with a mysterious mission, includes a murder and invokes "confusing sadness" at the end. Once the sales rankings for his novel The Tornado Ashes Club start their meteoric rise - thanks to a Christian evangelist, a recovering teen starlet and Law and Order: Criminal Intent - Tarslaw's inevitable decline looms, and his fall from grace will be nothing short of spectacular. How I Became a Famous Novelist is the hilarious tale of how Pete Tarslaw's "pile of garbage" became the most talked about, read, admired and reviled novel in America. It will change everything you think you know - about literature, appearance, truth, beauty, and those people out there who still care about books.

REVIEW OF CALL FROM AN ANGEL GUILLAUME MUSSO

- Just returned from a 2 week trip to South Africa - this book was very helpful in finding places to stay, things to do, how to keep safe, etc. I took "The Eyewitness Guide" with me too, but that book was not very helpful. I would also recommend you talk to someone who has been there and make sure you have local contacts. This is a crazy but beautiful country. Have a wonderful trip!

- Doing one thing and doing it well is often better than doing many things either averagely or poorly. The Pie and Pastry Bible does one thing and it does it extremely well. Rose Levy Beranbaum breaks down all the secrets to making pie and pastry as well as many variations. Too many cookbooks are pretty but not really informative. This one is not one of those, it will get constant use over the years in my kitchen. I know this because it will take me a long time to work through all the recipes. It will be worth it though.
