## **REVIEW OF AUSTRALIAN CORPORATE LAW 4TH EDITION**

- The Lion of Ireland is the first book I ever read concerning Irish history, beginning a life-long study. Ms. Llywelyn is certainly a good writer, and from what I researched concerning the "real" Brian Boru she sticks to the history. The only negative point I can make is the heavy-handed romance that seems to be throughout the book. Be that as it may, Lion of Ireland is still a great read!

- Dr. Keon's book should be required reading for everyone: women, men (and especially) doctors. My wife was diagnosed with breast cancer before Christmas '99 and has healed herself with the information contained in this life-saving book.
