VERDICT

Estimates of National Expenditure
Pearson South Africa

We have spent a great deal of time on the continued development of accounting and auditing standards, which are used as a primary component of corporate reporting, to reach today's financial reporting framework. However, is it possible to say that, currently, financial statements provide full and prompt disclosure? Or will they still be useful as a primary element with their current structures in corporate

reporting? Undoubtedly, we are deeply concerned about these issues in recent times. This volume contains chapters to discuss the today's and tomorrow's accounting and corporate reporting phenomena in a comprehensive and multidimensional way. Therefore, this book is organized into six sections: "Achieving Sustainability through Corporate Reporting", "International Standardization", "Financial Reporting Quality", "Accounting Profession and Behavioral Aspects", "Public Sector Accounting and Reporting", and "Managerial Accounting".

REVIEW OF GRADE 11 ACCOUNTING EXAM PAPERS 2009

- Do you think your mate is 100%

compatible with you? Do you think that is even possible? Many say no, but this book peeks into that with a twist. Finding that perfect mate ends in death for one of them. Not the happiest ending one would expect. I appreciated how simple the characters were in the story, making it seem more real. Dr Lash is brought back into the story and even finds himself wondering if he has a perfect mate. I won't spoil any ending, but you start to assume it towards the middle of the book, but you forge ahead knowing you just have to put together how it was done. Good book and a fast read

- DEATH MATCH is the first novel I have read that was written independently by Lincoln Child. However, I have read the following books he co-authored with Douglas Preston: RELIC, MOUNT

DRAGON, RELIQUARY, THE CABINET OF CURIOSITIES and STILL LIFE WITH CROWS. I found all of the co-authored books profoundly intense. With that in mind, I read DEATH MATCH. I can make two points that will assist people to decide whether to read this novel. First, like the co-authored novels, there is a level of intensity that takes the reader into the eyes of the central character -- in this case, Christopher Lash, a forensic psychologist. I relish novels that make me forget about meals I need to eat or meetings I am suppose to attend. Child's work does this. This writing style locks outside environmental stimuli out of my consciousness. Second, this novel has the same favor as MOUNT DRAGON, the second novel Lincoln Child wrote with Douglas Preston. In that respect, I felt

this novel was a bit too predictable. By chapter 36, I eliminated the culprit to two possibilities. In a later chapter (I can't identify it), Richard Silver says, "Don't hurt him." At that second, everything fell into place and I knew how the novel was going to end. The rest of the novel was anticlimactic and I found myself disappointed. I found myself reading more rapidly and with much less relish in my mind. As a result, I skipped the epilogue. DEATH MATCH was too much like other novels. About five days later while I was bored, I picked up the

DEATH MATCH and finally read the epilogue. Everything changed! Child should have entitled this epilogue "Chapter Sixty-Five." The ending is not as predictable as I had thought when I heard Richard Silver utter those words, "Don't hurt him." The epilogue provides an unexpected twist. It is the kind of twist I love in a novel. Most importantly and unlike MOUNT DRAGON, this story doesn't end. Child can easily write a sequel; perhaps he can entitle it, LIFE MATCH.
