We hope this article has actually motivated you to discover Our Twisted Hero, get in touch with fellow readers, and create your very own reviews. Satisfied reading!

REVIEW OF OUR TWISTED HERO

- This may be, with the exception of Doris Kearns Goodwin's equally compelling but more familiar TEAM OF RIVALS, the most moving and thrilling and sagacious nonfiction book I've read. It lacks NOTHING, you are with the whale men all the way, and there is education of whaling itself to boot. I love a book that tells me a thrilling story, all the more exciting for its having actually happened, and teaches me as well. I learned, for example, the great extent to which Nantucket was responsible for the

whaling industry in the world. I learned how a whale is "taken" and reduced to its blubber/oil. I did not cringe any the less for knowing it; far from it, in fact. I felt, as many of the Essex crew began to feel, that what happened to them was, if not divine retribution for wholesale slaughter of an entire species, at least poetic justice. Yet, Philbrick allows his reader their own intelligence to decide. It's an adventure story par excellence, and can be read on that level alone. But what a story! Eclipsed by the Titanic story decades later, this was a marine disaster the likes of which still has the power to show us both the tragedies man brings on himself by attempting to tangle with Nature, and the power and resilience of the human spirit to survive. Altogether, a powerful and highly recommendable read.

- An excellent read of the historical account of the sinking of the Essex. I found the historical aspects along with the added physiological and psychological analysis regarding the effects of exposure, dehydration and starvation to be intriguing. The history of cannibalism on the high seas was hereto unknown to me. Finally the irony associated with the leadership aspects and challenges of Captain Powell and his First Mate Owen Chase were quite interesting. I could not put this book down.
