REVIEW OF 1933027800 UUS20

- Gregg Braden's, *The Isaiah Effect*, is probably one of the most important works of our time. Having lucidly given background on quantum physics and the meaning in our everyday lives, as well as researched lost biblical teachings and prophecy, Gregg not only effectively clarifies the role we have in recognizing a peaceful world, but clearly and concisely reveals how and where we must begin. I believe this to be an inspired work, written with heart rather than ego, and would recommend it to anyone willing to take the time to read it. You'll be glad you picked it up. It reads quickly, and can change your thinking forever.

- Very boring weak book. Guess you can't judge a book by its cover eh?
