Short Stories in Spanish for Beginners McGraw Hill Professional

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. *Breaking Out of Beginner's Spanish* will be an essential aid in passing the supreme language test—communicating fluently with native speakers.

So, if you're looking for a captivating read, Madrigals Magic Key To Spanish Margarita Madrigal is most definitely worth thinking about.

REVIEW OF MADRIGALS MAGIC KEY TO SPANISH MARGARITA MADRIGAL

- As a Dan Brown fan who had read all of Dan Brown's books, I was desperate to find another author who wrote in the same style and on the same type of topics. I was not disappointed by Steve Berry. This book grabbed my attention very quickly and I finished it in just under a week because I could not put it down. The characters were developed well and very easy to understand. The subject matter, Marian visions and the future of the Catholic church, were also very well described, even for someone who knows nothing about Catholicism or Marian visions. The plot follows a representative from the Vatican as he searches for answers to the mystery surrounding the final of 3 secrets revealed to a young girl in Portugal years before. This leads to upheaval in the bishop's life and in the Holy See. A wonderfully taut thriller considering the subject matter. This could have been very dull, but Berry has written a titillating thriller. All in all, this was by far one of my favorite reads. EXCELLENT! I will be buying and reading all of Steve Berry's books.

- the author uses a great inspiring event to sneak in at the end of his story his personal perverted idea of morality..this book iwould describe as a piece of garbage..i assinged my copy to the garbage disposal where it belongs....
