### **REVIEW OF BIBLI BURRO A TRUE STORY FROM COLOMBIA MCGODS**

- I liked it but not very action packed. Wanted to read it before seeing the movie. I cannot figure out how they are making three movies out of this book. In the book it just seems like not much happened. The LOTR trilogy is so much better.
- This book takes a while to get into but I guess that is to be expected with an older novel and with Tolkien's writing style. However a good story overall and worth reading.
