Start exploring the globe of PDF Chapter 7 Lubrication Wbmanager today and unlock the potential for a richer, extra fulfilling finding out experience.

## **REVIEW OF CHAPTER 7 LUBRICATION WBMANAGER**

- I wasn't ready to enjoy this novel and the first 60 pp reinforced this prejudice. The beginning is filled with Stowe's rendition of slave's speech--"ah's gwyne ter make corn pone fer Mas'r"--which most modern readers will find demeaning. Fortunately this tones down. As a non-religious person I have a low tolerance for preachifyin, but it bothered me less as the novel progressed, as it became obvious that the most effective argument against slavery at the time was righteous Christianity. The issue was not the equality of the races, though Stowe does allow for that (not bad for 1850!), but that a Christian should not own humans, period. Whether the slaves were happy-go-lucky, sentimental, childlike, superstitious--all these supposed attributes of one race or another--all these were irrelevant to her. Through the character of St Clare she argues that the greater sin of slave owners was their hypocrisy rather than the ownership per se. That owners might claim justification from some obscure passage in the Bible

was an outrage. Better to simply admit that you hold slaves because you have the power to do so, and it makes your life easier. If you are to be wicked, admit it at least--don't hide behind some nonsensical religious rationalization. If the slave owners could be honest about their reasons, then there might be hope of winning the moral argument. The characters are one-dimensional--pure good, pure evil, not much in between. Most are what we now see as stereotypes. They merely function as tools of the plot and the point. What I didn't expect was that the story itself would be as exciting as it was. It moves right along. This overcomes the preachiness and the simplicity of the characters, and is the reason so many read the book. Even for all its patronizin and preachifyin, it's a page-turner. As others have noted it is amazing to see how "Uncle Tom", portrayed as noble and saintly, has become such a term of derision. Finally, if you are going to read this, don't read the Introduction until after you've read the novel, as it gives away several plot points that you are better off encountering for yourself in the novel.

- I read this book many years ago. I wanted to refresh my mind once more. I would recommend this to a reader who enjoys history.
