- Hello People,I thought that Fahrenheit 451 was a good book. I wouldn't say that it was the best book in the world but it was definetly a good book and you should read it. It isn't your average book that you're used to, it's a little diffrent. Bradbury writes really well and you can follow the story, but sometimes he would just say something and you would have no clue what he's talking about. So then you have to go back and read a couple pages just to figure out whats going on. But above all I would say that it is a good book and even though it's a little diffrent, it's good to give diffrent things a try. :)Peace-out and enjoy the book!!!!!!!!!!

- Fahrenheit 451 by Ray Bradbury is a story of a society that has been changed to a dystopia. High authorities try to regulate life to make people happy. To achieve this happiness, firemen (which has been redefined) burn books to people don't know what the past was like. The city is a dystopia in a utopia.Guy Montag, firemen who finds out that he isn't happy once he has multiple conversations with a spontaneous adolescent girl named Clarisse. Clarisse doesn't thrive in the dystopia like everyone else. She does not accept that books are bad. She late affects the train of thought for Montag. Mildred, Montag's wife is happy with her life. She accepts the thought of books being bad. She agrees that destroying books brings happiness. She spends most of her time watching T.V. all day. Faber is an old man who enjoys books, but he is terrified of the firemen. He's a smart coward. Captain Beatty reads books from time to time, but he doesn't believe anything he reads.The common theme for the book the collective loss of memory, history, and the outside world in a society will result in an easy psychological manipulation of mankind by a government ultimately leading to dehumanization of the people. This is the theme because they are erasing history in an effort to achieve happiness. The common characteristics used in the book are relying on physical and somewhat psychological torture to maintain order. They threaten to burn books and houses if you're caught with books. The society the government runs thought to be an utopia but is far from it, the government basically runs and controls everything.Fahrenheit 451 really unfolds when Montag begins to take books for himself. His wife is terrified that he wants to keep the books. She is

afraid that her house will be burned by the firemen, but Montag is a fireman, but does this make him able to read books? Things become more interesting when he is caught with a plethora of books in his home. Deon, Carlos, Juan, Cody (12th grade)
