REVIEW OF GM F40 MANUAL TRANSMISSION BY MICHIIYA FUKASAWA

- I really liked the book, it kept me on edge and i was really surprised at the ending. I would recommend it.
- I have loved this book since I was 20 years old. I learnt to read Playing cards through it, as well as thoroughly enjoyed the way you have a snippet of many different fortune telling methods all in a beautiful hardcover book! Just happened across a copy at a used book store, and had to have it for a friend!
