REVIEW OF INDONESIA 2017 SALARY KELLY SERVICES INDONESIA

- While I don't profess to be an expert on Sci-Fi/Fantasy novels, I did enjoy this book. My husband and I have created a habit of me reading aloud to him in the evenings. We started just before HP6 came out, going through the whole series in just over two months. Since we have finished that I have been looking for another series to read to him. One of our 17-year-old's friends let me borrow Eragon, knowing of our tradition and liking for this style of reading. Despite the sometimes juvenile feel, it was a wonderfully cozy book. Congratulations to Mr. Paolini for his courage to write his book. Who better to write a book about a young man coming of age while having

to make adult decisions, than a young man. To those critics who don't like it, fine. Just remember, he will only get better with time and experience. Give

him a chance.

- Page turner interesting characters that you wish to see what happens to them all . Will have to read the series
