Remember, reading reviews can help you make notified choices regarding what to check out following and can reveal you to new authors and categories you could not have taken into consideration before.

REVIEW OF KIDS CORNER ANIMAL DIET GAME SHEPPARD SOFTWARE

- I loved this book. It made me realize that I was lacking self-esteem and value for my own life. In the past, any time a man would enter my life, I would make my life all about him. There is a quote in the book that struck me: "Most women are looking for something in a man that they should be giving to themselves". It's so true. Find your own true joy in life first, and then a man will be a nice bonus. This way you are not completely dependent on him for happiness, and you are able to give more freely, because you are not living in perpetual fear that you will be destroyed if he leaves you. This book made me realize that the most attractive quality of all is dignity. As long as you have your own dignity and self-respect, it doesn't matter if a man realizes that or not. If he's not the one who will appreciate you for you, then move on to the next!!!

- I loved this book! It absolutely told me what I did wrong in my marriage for 7 years. I am now single and it has helped me stand up for myself and stop catering to everyone else. Not only am I more respected, I am more sought after as well. It's amazing. I feel better about myself and I'm not as worn out doing things for every one else. I recommend this book to any woman not just for dating but for life in general!!!
