REVIEW OF DOWNLOAD JIS B 0261 DESANY

- Rimsky Korsakov is one of the greatest composers of Western music, but to many, just his orchestration knowledge is enough to study for a lifetime. That is

the case with me. Dover scores are simply the best asset to anyone learning composition/orchestration. They may have printing errors or articulation inconsistencies, but that is ok, because you probably won't be using these scores to conduct a real concert program, I would hope. The three pieces provided in this book are masterpieces of comp and orchestration, and have endless learning potential. You have the

Bach, Brahms, and Beethoven, now its time to get into the wonderful world of Rimsky Korsakov. Anyone can get something out of this score, and for the affordable price, its the best deal of them all.

- Cool plot,character developments good, Zombies are interesting. Worth reading, plus you can find it free on the web!
