Remember, reviewing evaluations can aid you make educated decisions regarding what to read following and can expose you to brand-new writers and categories you could not have taken into consideration previously.

## REVIEW OF MCGRAW HILL MANAGERIAL ACCOUNTING CHAPTER 11 SOLUTIONS

- This book is an excellent departure from Grisham's formulaic novels, and I loved every minute of reading it. The story is engaging, the characters are people that would be interesting to meet, and Grisham captures the essence of living in a small town without being cynical or critical of it. Once you are pulled into the story -- which Grisham does masterfully -- you will be hard-pressed to put the book back down & go to work. This book inspired me to seek out some of his other books that aren't about young lawyers getting tangled up in organized crime & having to go into hiding -- and I have been delighted to rediscover him as an author. This is a great read.

- I have read ALL of Grisham's works -- even before he was well known. I have never read anything of Grisham that I disliked. As a result, I decided to read THE LAST JUROR while being subjected to rehabilitation therapy for my injured back. I was experiencing a great deal of physical pain but Grisham's novel was able to draw my attention away from my personal problems. It moved my mind from my location at the physical therapy center and had me travel to Ford County, Mississippi. Mind movement is the highest praise I can offer to a piece of fiction. Grisham's novel came alive for me because his portrayal of Ford County Mississippi is similar to the small southern community where I live. The characters were lifelike and came alive. More importantly, many of them were quite similar to some quirky characters that I see in my everyday life. I think anyone living in a small southern town would enjoy this novel. Immediately following the publication of THE KING OF TORTS, Grisham was interviewed on National Public Radio. Here, I learned that his wife was encouraging him to move his basic storyline away from the concept of redemption. I was saddened when I heard this because I thought this element was a refreshing characteristic for contemporary novels. When THE LAST JUROR arrived at my door, I immediately wondered if Grisham removed his redemption insight. I see the redemption theme in this novel but not with the great intensity of his past work. At any rate, THE LAST JUROR is worth reading.
