The one-of-a-kind storytelling style, relatable characters, and plot spins make it a beneficial addition to your bookshelf. So, if you're searching for a captivating read, Soldiers Alive is definitely worth considering.

REVIEW OF SOLDIERS ALIVE

- This book is one of the most comprehensive books on the 1911. If you want to know anything about the 1911, this book (along with Vol. 2) is the best source of information.
- Prior to reading this book, I did not realize that Basques have been such an important ethnic group in America's West. Thursby's book provides a fine overview of Basque settlement in the United States, and she uses this historical context to provide understanding of important forms of folklore in present day Basque cultural expressions. The major portion of the book is an overview of genres and forms of folk culture from areas with large populations of Basques. She provides special attention to the importance of women's contributions to the preservation and adaptation of this ethnic group's folklore, and she concludes her study with a thought-provoking and well presented analysis of the group's traditional culture. Many of her insights are useful for comparing and contrasting Basque traditional culture with the folklore of other ethnic groups in other regions, and Thursby's writing style is accessible and interesting.
