the ideal publication, our well-informed staff is right here to offer tailored recommendations.

REVIEW OF RENAULT MEGANE HANDBUCH

- Choices. Change. Love. Pain. Sensuality, growing up, becoming an individual, being DIFFERENT. Lies, overprotection, and even murder. Now tell me, how could such a book not be completely enjoyed?! The first time I read it, a couple years ago, I didn't comprehend the REAL meaning of this book...(or should I say several meanings?) To put it simply, I just didn't get it--especially the ending. At first I thought it was completely stupid..I mean, THERE IS NO REAL ENDING! How in the world are we supposed to enjoy that, Lois Lowry!?Hahaha.. what was I thinking? Now I take that all back. Upon reading this book again and actually analyzing it in my Language Arts class, I got a MUCH deeper meaning. The dying elephant memory that Jonas recieved

could represent the MEMORIES, which are dying. (what do elephants have? a GOOD MEMORY.) I NEVER would have come to that conclusion until we had a class discussion...I've discussed this book with several of my friends and we all love this book. It covers all the topics we have/will come across in this world--in the past, present, and most likely the future. Perhaps Jonas may have traveled in a large circle back to his own community where the memories were released and things were back to normal with both love AND pain...Perhaps the music he heard was the Giver finally joining his beloved Rosemary. Who knows? This is a great book which made ME certainly think: would I rather live a life with color, music, love, pain, war, and hatred... or one without? The answer can only be up to you, along with the ending, which is one of the several reasons I have debated, reviewed, and loved THE GIVER.

- Read it as a child and it was my favorite book, re-read it as an adult and I like it even more.
