## **REVIEW OF THE ULTIMATE PS3 REPAIR GUIDE**

- This is one of those situations where I actually preferred the movie to the book. Although the book gave much more background than the movie, it was much easier to follow the book after having seen the movie. I think if I had read the book first, I would have been lost completely. The movie is also part of my permanent collection. I mean, who could resist Kyle McLachlan as the Kwizatz Had'arrach?
- Religion, politics, deception, wonder, and mystery pave the way for the greatest book in all of history. This is a journey about the mind and how things work. It is impossible for any reader to be dissatisfied about this book.
