REVIEW OF 3COM WL 560 USER GUIDE

- I hadn't read Little Women since I was in middle school so it was nice reading it as adult. I was planning a trip to Concord, MA so I wanted to read it prior to touring the actual Alcott house. I think I enjoyed it so much because of the combination of seeing

the historic house and my perspective as an adult. It is a solid classic American story and if you have never read it, you should.

- Nice kindle edition of both Little Women and its sequel Good Wives. Both are beautiful stories and here they are complete

and unabridged, as they should be. This edition would benefit from a little more formatting but on the whole it is very good, especially with both books for free. Wonderful to have these in my e-library to read again, and share with my daughter.
