## REVIEW OF ALCHEMY THE SECRET ART

- This is the best book I have ever read. I like all of it, not only the end. I liked it because it was interesting and there was always something happening.
- Orphaned Kit Tyler knows, as she gazes for the first time at the cold, bleak shores of the Connecticut Colony, that her new home will never be like the shimmering Caribbean islands she left behind. In her relatives' stern Puritan community, she feels like a

tropical bird that has flown to the wrong part of the world, a bird that is now caged and lonely. The only place that she feels completely free is in the meadows, where she enjoys the company of the old Quaker women known as the Witch of Blackbird Pond, and on occasion, her young sailor friend Nat. But when Kit's friendship with the "witch" is discovered, Kit is faced with suspicion, fear, and anger. She herself is accused of witchcraft!
