## REVIEW OF LEGO MINDSTORMS THE NXT GENERATION

- This book was purchased as a gift, and the receiver was thrilled wih it. It was just what was needed.

- There lives a community not like ours. This community is an UTOPIA to the people who live in it. Everything is the same and everything is done for you. A twelve year old boy, named Jonas, has been selected to be the Receiver of Memory. The Receiver of Memory is a person who has all memories of the past. After almost a year, Jonas has come to realize that the community is not so perfect, it is far from perfect. So Jonas and the Giver, the old Receiver of Memory, come up with a plan. The plan is that Jonas will run away from the community, leaving the community with all the memories. Jonas changes the plan so that a newchild named Gabe, will come along with him. Jonas also steels his father's bike.This book is different from all others. It makes the reader think of how lucky we are to live on Earth. It is a one of a kind book!
